Bulldog Brief

Dear St. Jude Community,

The 8th graders finish their final final exams Thursday! They have worked very hard and Friday they will be dismissed for the last time from St. Jude. Please keep them in your prayers as they complete their St. Jude experience and prepare for the next chapter in their story. We are... VERY PROUD OF THEM!!

The rest of us have just over two weeks remaining in the school year. Our 6th and 7th graders are preparing for exams, and the teachers are working hard to finish up the year. Please keep a close eye on folders and emails for important information.

Summer session registration for those who wish to take courses in July is still open. Mrs. Merideth and Mrs. O'Connell will be teaching courses in Math, Language Arts, Spanish, and Science for rising 5th through 8th graders. This is a wonderful opportunity to get ahead over the summer!

Summer reading and IXL(Math) information should be ready soon. IXL proved to be very beneficial to our students, and I have once again agreed to celebrate the student's reading achievements if they read enough over the summer.

One more thing, if you haven't finished registration, **you know who you are**, please do so, or contact the office for assistance.

We areSt. Jude!

Live Jesus in our hearts..... Forever!

The ADW has recently updated its Student-Parent Technology and Internet Usage Agreement. It is critical that parents arm themselves with a wealth of information to keep their children safe online. While students will review and sign this agreement at the beginning of the 2019-2020 school year, please feel free to get ahead of the game by reading the attached agreement and browsing through the following links, which contain fantastic online resources for parents. Feel free to direct any questions to Ms. Sella at
