Bulldog Brief

Dear St. Jude Community,

Our 8th graders are graduating this Thursday! They have worked very hard please keep them in your prayers as they complete their St. Jude experience and prepare for the next chapter in their story. We are...VERY PROUD OF THEM!!

Summer session registration for those who wish to take courses in July is still open. Mrs. Merideth and Mrs. O'Connell will be teaching courses in Math, Language Arts, Spanish, and Science for rising 5th through 8th graders. This is a wonderful opportunity to get ahead over the summer!

Summer reading and IXL(Math) information should be ready soon. IXL proved to be very beneficial to our students, and I have once again agreed to celebrate the student's reading achievements if they read enough over the summer.

Join us for Family Fun Day this Saturday. The HSA worked hard all year to make St. Jude School a great place to have fun with all our wonderful families, please join us this Saturday and have fun.

One more thing, if you haven't finished registration, *you know who you are*, please do so, or contact the office for assistance.

We areSt. Jude!

Live Jesus in our hearts...... Forever!

Glenn J. Benjamin, Ed.D.

While students will review and sign this agreement at the beginning of the 2019-2020 school year, please feel free to get ahead of the game by reading the attached agreement and browsing through the following links, which contain fantastic online resources for parents.
